The Connecticut Avenue Collision to Be Thoroughly Investigated.

luquest Over the Truckman's Remains to Be Held at the Sixth Police Precinct Station-The Funeral Services Set for Sunday Afternoon -Motorman Larne Still Detnined.

An inquest will be held this morning at 11 o'clock at No. 6 police station, in New Jersey Avenue, to enquire into the circumstances attending the death of Charles A. Keefe, the fireman attached to Truck Company B, who died as a result of the injuries received at the corner of Connecticut Avenue and M Street, Thursday morning in a collision between Car 704, of the Metropolitan line, and the truck, on which he was riding. It is understood that by direction of the District Commissioners the investigation will be of a most searching character, and that no pains will be spared to bring to light every incident having any bearing on the matter. All day yesterday the police were busy bunting up the numerous witnesses to the ac-cident and summoning them to appear be-fore-Coroner J. Ramsay Nevitt, who will conduct the investigation this morning. The railroad company will have a representative present at the hearing, and there will also be some one detailed from the office of District Attorney Anderson to represent the Government. Deputy Cor-ouer Glasebrook yesterday made public the result of the autopsy which he performed on the body of the unfortunate man the on the body of the unfortunate man the evening before. He found the body in a badly mangled condition, and in his judgment the injuries which he found were necessarily fatal. Both collar bones were broken, as were also the second, third, fourth, fifth, sixth, and seventh ribs on both sides of the body. The right lung was punctured by the broken ends of the ribs, and both pleural cavities were filled with blood. Death was immediately due to internal hemorrhage resulting from these injuries. After the completion of the post morten the body was turned over to Undertaker Nalley, and by him removed to the late home of the dead fireman, 1525 North Capitol Street, where if will remain until removed for burial. The funeral will take place Sunday afternoon at 2 o'clock, take place Sunday afternoon at 2 o'clock, from the family residence, and from there the body will be removed to the Wilson Memorial Methodist Church, on Eleventh Street, near G southeast, where services will be held by the Rev. A. Thompson. The interment will be at Congressional Cem-

tery.
The following detail of firemen to attend the funeral was made yesterday afternoon by Chief Joseph Parris, of the Fire Department, every company in the department being represented. Second Asdepartment being represented. Second Assistant Chief J. D. Kurtz will have command of the detail, which will be composed of Clarence Thompson, No. 1; W. J. Seltz, No. 2; A. L. Lusby, No. 3; H. C. Corder, No. 4; J. H. Ward, No. 5; J. A. Sweeney, No. 5; G. G. Warren, No. 7; F. J. Nestine, No. 8; W. Caten, No. 9; P. McGarry, No. 10; T. J. Shehan, No. 11; Foreman H. W. Wright, No. 12; F. M. Smith, No. 13; C. G. Achstetter, No. 14; W. J. Garner, No. 15; J. A. Cotter, Chemical No. 1; J. W. Myers, Truck A; P. J. Earner, Truck B; P. J. Sullivan, Truck C; J. H. Reith, Truck D, and H. O. Cook, Truck E. For the first time since the company lost some of its men at the Louisiana Avonue fire several years ago, the quar-Avenue fire several years ago, the quarters of Truck B, at the corner of New Hampshire Avenue and M Street north-west, were draped in black yesterday. The only topic of discussion was the collision which had so crippled the company, and which had so crippied the company, and repeatedly the story of the accident had to be repeated to sympathizing visitors who were anxious to do all that was pos-sible to relieve the sufferings of the fire-men whose devotion to duty had so nearly

men whose devotion to duty had so nearly cost them their lives.

Both of the injured men are doing nicely and are now said to be out of danger. Foreman Donohoe is the least hurt of the two, but it will be several weeks before he will be able to resume his duties.

Motorman Larne believes that it is an unnecessary hardship to be locked up until effer the inquest this morning but it is after the inquest this morning, but it is deemed advisable to hold him until after the coroner's jury can pass upon his re-sponsibility. Conductor Davis has been released, as he could in no way have been responsible for the occurrence.

Chief Parris announced yesterday that he would recommend that the Commissioners grant Mrs. Keefe a pension of

\$50 a month. He was surprised that there should be anything in the law to operate against the granting of the pension as the twelve-month clause was suggested by him, and was only intended to apply to persons who might become sick in quar-ters from natural causes.

### MAJOR DUTTON RETIRED.

Said to Be Due to the French Gun Scandal.

The retirement of Major Clarence E. Dutton, of the Ordnance Department of the Army, was announced in the special orders issued by the War Department yesterday. The statement is made that the retirement is upon his own application, after more than thirty years' service.

The announcement caused considerable surprise and comment yesterday in army circles as Major Intion is considerable. circles, as Major Dutton is considerably under the age limit. The reason for his retirement is found in the fast, it is said, that he had been asked to take such a

course. It was charged against Major Dutton It was charged against Major Dutten that the information concerning the French gun, about which considerable was said several months ago, was made public by him. The statement is made that the evidence of his having done so was of such a nature that he readily admitted having made the facts public. It is asserted that some of his superiors were in favor of taking a more drastic course, but it was finally agreed to permit him to retire upon his own application.

#### A LOCOMOBILE BLOWN UP. A Gasoline Vehicle Belonging to Dr

Corey Wrecked. A locomobile belonging to Dr. W. F. Corey, of 1565 R Street northwest, exploded about 5 o'clock yesterday morning. in the Columbia Stables in Johnson Ave-nue, A quantity of gasoline which had been contained in the tank of the ma-chine spilled on the floor and ignited, caus-ing a fire which Engine Company No. 9 was called to extinguish. The locomobile was valued at \$1,612, and was totally de-stroyed. It was universely stroyed. It was uninsured.

The machine had not been used since

the macraine has not been used since the preceding evening. William Brown, a colored man, was the only person in the stable at the time of the explosion, by the noise of which he was ntracted to the scene of the wreck. When the engine compuny arrived the slight blaze caused by the gasoline had been extinguished.

Accuses His Wife of Drinking. rom his wife, Maggie Moir, on the grounds of habitual drunkenness. It is stated that the parties were married in New York City in Peters ary, 1869, and soon after, the complainant at loges, his wife began to drink to excess.

PROF. MIDDLETON'S DEATH National University Students Pass

Resolutions of Sympathy. The students of the medical and dental departments of the National University at a meeting held yesterday adopted resolutions expressive of their sorrow at the death of Dr. Rosier Middleton, professor of minor surgery in that institu-tion. A committee consisting of Messas, Finch, Karpeles, and Barker, drew up the following resolutions:

Whereas death has removed from and reacher, Dr. Resier Middleton, therefore he is Resolved. That in the death of Prof. Middleton we have lost a true friend and an able and con-scientious teacher, and one who by his interest in each individual member of our clares had especially endeaved blusself to us. Resolved, That our sympathies be hereby ex-tended to his family in their bereavement, and Resolved. That a copy of these resolutions be transmitted to his family and published in the newspapers of this city. and teacher, Dr. Rosier Middleton, therefore be

MRS. STEDMAN'S WILL.

The will of Elizabeth B. Stedman, dated March 23, 1895, was filed yesterday for probate. The testatrix states that her son, Capt. C. A. Stedman, United States Army, roquested her to leave her estate to the other members of her family because he did not need anything. She leaves to him such portion of her silver as he may select. The remainder of the silver is left to her daughter, Lilia M. Lamberton.
The remainder of the testatrix's estate
is disposed of in the following manner:
Three-fourths to her daughter Lilia M. Lamberton, wife of Commander Benj. P. Lamberton, United States Navy, and one-
